

"Being a Blessing"

We thank God for all His blessings bestowed upon COHAW this year. As 2026 begins to end, we are grateful for God's blessings upon our lives and this ministry.

We are thankful to everyone who regularly participates in our daily prayer line and those that support this ministry through regular giving.

We are excited to launch our "Being a Blessing" campaign from **November 23- December 18**. We have shortened the timetable so we can make sure the recipients are able to use their blessing during the holiday. Our goal is to raise $4,000.00.

This year many families and individuals have been deeply impacted by inflation. We all feel it when we go to buy groceries or put gas in our cars. Many people are being forced to decide between food, gas or medicine. As a result, we are living in a time of extreme "Food insecurity," even for those that are working every day.

You can help us be a blessing by clicking the donate button and check the box in Givelify for "Being a Blessing" or add "Being a Blessing" in the comments with PayPal. You can also send your checks to COHAW at P.O. Box 7173, Stockton, CA 95267. We will share the results of "BAB" giving at our **January 4, 2027**, prayer line call.

Blessings,
Rev. Dr. Daphyne Brown, Founder
Sister Carole Hayes, President
Deacon Theresa McLemore, Vice President

Please join us on our daily prayer line, Monday - Friday at 6:45am.
